**Subject: International Women's Day – reg.**

Dear Principal

As you are aware that every year, 8<sup>th</sup> March is globally observed as the International Women's Day (IWD), for celebrating the social, economic, cultural and political achievements of women. This day is also used as an occasion to reflect and amplify on various issues that come in the way of women's empowerment and hinder realization of gender equality.

To take forward the momentum of empowerment of girls and women through education, the International Women's Day may also be observed in the schools with the following suggested activities:

1. The day's topic of instructions in different subjects could focus on women achievers. For example, in Social Studies subject, students may be taught about women freedom fighters in national movement (1857 to 1947), 15 women members of Constituent Assembly; in Science subject, about women scientists and discoveries/contribution made by them; and in Languages, literature by women writers and poets.
2. Special Morning Assembly – online or offline: Talks on women achievers in different fields, role play, thought of the day, group song on women empowerment, award/recognition to the girl students who have performed well in different fields such as academics, sports, dance, music, arts, social service and other novel areas.
3. Organize talks by women professionals such as those in medical field, teaching, armed forces, police, aircraft pilots, locomotive pilots, aerospace engineers, building & construction, scientists etc. and facilitate their interaction with the students.
4. Honouring women faculty members and staff.
5. Essay writing on prominent/ inspirational women of the district where the school/institution is located.
6. Highlight/ discuss the initiatives undertaken for eliminating gender based discrimination and to promote girls' education.
7. Create awareness on menstrual hygiene so that drop out of girls at secondary/ senior secondary level may be reduced.
8. Hold Parent –Teacher meetings on nutrition for the child, particularly girl child.

You are requested to do the needful as per above points and disseminate the information among the stakeholders of your school so that International Women's Day is observed in a benefitting manner.

With Best Wishes

Dr. Joseph Emmanuel
